VOX MUSICA

CHORAL SOCIETY

Are you are a young adult (17-25 yrs old)? Are you *passionate about singing?*
Are you a member of a choir or can *sing in tune in the shower!*

We welcome you to come and have *fun* with choral music and join the Lethbridge Vox Musica Choir at a **REDUCED** Membership rate.

WHAT DO YOU GET AS A MEMBER?

Voice Development. You will enjoy 40 or more hours of choral practice evolving vocal skill while rehearsing in the acoustically outstanding Southminster Church under the guidance of *Joanne Collier*, Music Director.

Musical Experiences and Opportunities to Perform.

Vox frequently performs with other music ensembles like the Lethbridge Symphony Orchestra; the University of Lethbridge Opera Workshop; Bridge Brass; Sinfonia Allegra; the Lethbridge Community Band Society; and many other school, community and University choirs and ensembles.

Repertoire Development. We sing classical pieces, opera, seasonal works, some folk, pop, musical, and movie music. This provides a valuable, rich and challenging repertoire development for **young** singers, especially when supported by the varied musical experiences.

Transition into Large Ensemble Choral Music. All of these experiences, with the largest choral group in Southern Alberta, can provide you with a fun and friendly transition into large ensemble choral performances as a satisfying life-long pursuit or in preparation for further study or career-related options.

Mentorship and Support. You will have the support of experienced *Vox* singers in your sectional group. We all help each other. If you bring your like-minded friends with you – you will have even more social support.
